\*Minimum quantity of 5 shirts per order for free shipping

### Advantages to the Medical Pet Shirt (MPS):

-  The Medical Pet Shirt is designed specifically for pets. The openings are adapted to the anatomy of the animal ensuring a good fit.
-  Due to the composition of the stretch fabric, the pet has complete freedom of movement
-  The MPS is available in many sizes for small to large pets
-  The MPS is easy to put on and take off; very versatile and is machine washable
