

## Covidien Animal Health

### Nellcor™ Oximax™ N65™ Pulse Oximeter – Veterinarian Kit

The value of monitoring oxygen saturation and pulse rate is well established for large and companion animals. Whether the need is short-term during surgery, spot checks or continuous based on the monitoring needs of the animal, the latest digital signal processing technology from Nellcor™ provides reliable and accurate SpO<sub>2</sub> and pulse rate values, even during low perfusion or signal interference.

N65 Pulse Oximeter

V-SAT® Sensor

DEC-4 Sensor Cable

#### Features and Benefits:

- Three-year warranty
