

Feature 2010

# The Ultimate Veterinary Dental Station

*The only unit you will need for all of your dental procedures...*

*With the Dentalaire "Ultimate" Dental Station there are no "options" needed. The unit is totally complete with everything you need to perform all of your dental procedures.*

## Features:

- Virtually soundless compressor
- Two handpiece control system
- Dual filtration system, which gives you cleaner air
- Three-way (air, water & spray) syringe
- Built in dual water system with two 2 litre water bottles and inline water filter
- High-speed Piezo scaler with built-in autoclavable tips.
- High-speed fiber optic lighted drill handpiece with push button control
- Low-speed polishing handpiece with prophylaxis angle, prophylaxis cups and prophylaxis paste
- Built-in water system with piezo scaler connection
- Telescopic height adjustment from 38" down to 26" for convenient storage
- Work area 22" x 18" with stainless steel removable tray
- Larger 9 outlet multiple strip for accessories

## Plus

### Free Dental Vet Package

#### Includes:

- Ten (10) Friction Grip High Speed Burs
- Standard prophylaxis Angle
- 250 gr. Jar of Vetcare Prophylaxis Paste
- Box of 144 Prophylaxis Cups
- Plus samples of new Twister Reciprocating Prophylaxis Angle

#### Warranty

- Overall 1 Year warranty (parts & labour) on entire unit, except the turbine in high speed handpiece (6 months warranty)
- Additional 1 year warranty on the piezo scaler.
- BorderLink can perform the yearly oil change/testing of unit for just \$145 plus tax (this service is not part of the warranty on the unit)
